

# Corner Community Park Sign Drive

Coaches, Parents, Family Members, and Friends of Corner Community Park:

We are selling signs to go around our park fences to raise money for projects and equipment the park needs, one such example of how we are putting fundraising to use is the recent bathroom renovations at the lower concession stand. These signs are 100% tax deductible and a great way for a business to advertise to many people at a reasonable price. The good news is that they don't have to just be used for advertising, they can offer special words of encouragement for any special player(s) and you can write it off as a charitable contribution on your taxes!

The cost of the signs is \$300 for the first year, and a \$200 renewal for four additional years. The proceeds from the sales of these signs will go directly to capital improvements at our park. They will create an annual source of revenue for us to move forward on projects such as building covered batting cages, paving our parking areas, improving the fencing on our fields, and many other initiatives.

You can receive a direct benefit from selling these signs as well. For every 3 signs you sell/renew, you will receive a reimbursement of a baseball/softball registration fee.

Please use the included "Friends of Corner Community Park Donation Letter" in order to complete each sign sale. The first page of the letter is provided to the purchaser to be used as tax documentation, while the second page is completed and returned back to the park so that we can order the sign.
