Corner Community Park Social Media Policy

Policy brief and purpose

The Corner Community Park (CCP) social media company policy provides a framework for using social media. Social media is a place where people exchange information, opinions and experiences to learn, develop and have fun. This policy provides practical advice to avoid issues that might arise by careless use of social media in the workplace.

Scope

We expect all volunteers, coaches, workers, and friends of CCP to follow this policy.

Policy elements

“Social media” refers to a variety of online communities like facebook, twitter, instagram, snapchat and any similarly situated social networks not previously mentioned. This policy is applicable to all social media platforms.

CCP expects all volunteers, coaches, workers, and friends of CCP to:

- Avoid defamatory, offensive or derogatory content, that could reflect poorly on CCP
- Ensure others know that personal statements made on a social media platform don't represent CCP
- Never post discriminatory, offensive or libelous content and commentary
- Correct or remove any misleading or false content as quickly as possible

Violations of this policy may result in disciplinary consequences.
